LED Display Cabinet

A mobile showcase combining a transparent display case with four-sided fine-pitch LED content for products, collectibles and branded storytelling.

Product rendering. Artwork shown on the screen is illustrative.

Key selection points

- Transparent showcase plus four-sided LED
- P1.8 and P2.5 GOB configurations
- 3840 Hz refresh rate
- Mobile cabinet with front maintenance
- Optional portable energy-storage battery

Before requesting a quote

Share the installation location, approximate dimensions, quantity, indoor or outdoor environment, viewing distance, delivery country and target date. Approximate requirements are welcome.

Purchasing terms

MOQ, availability, lead time, warranty, shipping and payment terms are confirmed in the project quotation. This guide does not add a standard commitment.
